Dear AADP Friends

The Asian American Donor Program (AADP) is a non-profit dedicated to increasing the availability of potential bone marrow donors for patients with life-threatening diseases curable with a marrow transplant, such as leukemia and lymphoma. AADP is hosting **The 12th Annual Barry Foon Legacy Golf Tournament** on October 1, 2018 at TPC Stonebrae Country Club, Hayward, California. This fundraising tournament is in honor of our friend, Barry Foon, who lost his life to lymphoma in 2007.

Bay area's newest country club, TPC Stonebrae is not a course you just play: it is an experience through David McLay Kidd's links-style design that will equally excite and challenge your skills and mentality. Spread across 250 acres while situated above a breathtaking 75-mile panorama of the Bay Area, TPC Stonebrae is a golf experience unlike any other you have ever encountered.

Last year's tournament was a huge success, thanks in part to the sponsorship from companies such as Copart, Palmer Electric, First Republic, State Farm Insurance, Kantor's Furniture, Audi, Pucci Foods, and many more. Their participation enabled AADP to continue its mission of saving lives, matching blood cancer patients with compatible bone marrow donors before it's too late.

Your generosity can help AADP reach its 2018 goal of raising \$142,000 to help fund the registration of 15,000 new donors. We ask that you become a sponsor at one of the following levels:

- **Title Sponsor - \$10,000**
- **Gold Sponsor - \$7,000**
- **Corporate Sponsor - \$2,000**
- **Foursome Team Sponsor - \$1,200 (\$1,000 Early Bird Special if paid by 9/1/18)**
- **Fairway Flag Sponsor, Hole named after Corporation**
 - - \$350 (\$100 savings if paired with golf)
- **Individual Golfer - \$300**
- **Dinner Only Guest - \$75**

**Please see the enclosed for more details*

Should you have any questions, please call us at 510-568-3700, or email us at Carol@aadp.org or LisaFoon@yahoo.com

Warm regards,

Carol E Gillespie

Carol E. Gillespie
Executive Director

Asian American Donor Program is dedicated to increasing the availability of potential stem cell donors for patients with life threatening diseases curable with a stem cell transplant.
