Dear Friends,

The Asian American Donor Program (AADP) is a non-profit dedicated to helping patients with life-threatening diseases curable with a stem cell transplant, such as leukemia and lymphoma. AADP is hosting *The 15th Annual AADP Legacy Golf Tournament* on Monday, November 8, 2021, at TPC Stonebrae Country Club, Hayward, California. This fundraising tournament honors all patients who passed away and are currently searching for a matching donor.

TPC Stonebrae is not a course you just play: it is an experience through David McLay Kidd's links-style design that will excite and challenge your skills and mentality equally. From 2009 to 2019, TPC Stonebrae has been a regular stop on the PGA Tour's Korn Ferry Tour. Notable past participants include Justin Thomas, Adam Scott, Daniel Berger, James Hahn, Tony Finau (2014 Winner), Si-Woo Kim (2015 Winner), and more.

Last year's tournament was a success, even during COVID-19, thanks in part to the sponsorship from companies such as Palmer Electric, Copart, First Republic, Kantor's Furniture, Pucci Foods, and many more. Their participation enabled AADP to continue its mission of saving lives.

Your generosity can help AADP reach its 2021-2022 goal of raising \$60,000 to help fund patients in need programs. We ask that you become a sponsor at one of the levels on page two. You can also go online at <http://www.aadp.org/golf21> for more details and to register.

**Please see the enclosed for more details*

There will be a reception, award ceremony, formal dinner, and silent auction after the tournament.

Should you have any questions, please call us at 510-568-3700, or email me at Carol@aadp.org

Warm regards,

Carol E Gillespie

Carol E. Gillespie
Executive Director

Asian American Donor Program is dedicated to increasing the availability of potential stem cell donors for patients with life threatening diseases curable with a stem cell transplant.
